## UNLEASH YOUR SESSION POTENTIAL

Leading a session at MeasureCamp Dubai is an enriching experience. Here are some quick tips to make your session engaging and fruitful:

- **Be Interactive:** Encourage audience participation and questions. The more interactive the session, the more rewarding it will be for everyone.
- **Keep It Simple:** You don't have to be an expert to lead a session. Share your knowledge, experiences, and facilitate a discussion.
- **Time Management:** Keep an eye on the clock. Ensure your session starts and ends on time to respect the schedule and allow everyone to experience various sessions.
- **Have Fun:** MeasureCamp Dubai is an unconference. The atmosphere is informal, and the aim is to learn, network, and have fun.
